October 10, 2017

Subject: The 6th Abu Dhabi University Annual International Conference: Mathematical Sciences and It’s Application

Dear Dr. Khan,

Thank you for showing interest to the upcoming: International Conference Mathematical Sciences and It’s Applications, December 19-21, 2017, Abu Dhabi University, Abu Dhabi, UAE.

It is our pleasure to inform you that your abstract entitled “Research on Data Driven Model for the Ultimate Load Prediction of Thin-walled Steel Perforated Sections” is accepted. Based on the recommendations of the reviewers and the Technical Program Committees, your paper identified above has been accepted for 25 minutes Oral presentation in the conference, and will be published in the abstracts book of the conference.

You may use this letter for official leave from your Institution and also apply for entry visa to the UAE Embassy at your home country. Because of the limited resource of the conference, we are unable to fund your travel and living expenses.

Yours Sincerely,

Amelita Regino
Conference Secretary
